I Frosh Basketball

A. Jim Jorgensen reviewed a little history of Jorgensen Sports Officials assigning the number of schools; area of service and number of basketball officials was mentioned.

NCOA Officials:

1. do minimum of 18 hours training with certified instructors
2. each official has liability insurance
3. follow-up on complaints
4. all fees are set by the Section Board of Mangers.

B. Transition

Brain Moore talked about how the transition from independent officials to Jorgensen Sports has taken place.

Officials are supposed to be regionalized to keep the mileage down. Officials usually have 21 days between appearances at a site.

Brian also stated that each site has the ability to request some specific game combination for officials such as:

1. A set of officials for Frosh game and then a second set of officials for the JV/Var game
2. Set for Frosh/JV and a new set for the Varsity game.

Each AD had the opportunity to express their particular site's problems/concerns.

Summary:

1. The Section sets the cost of officials plus mileage
2. Jorgensen Sports Assignors will attempt to assign in manner that will keep the mileage cost to a minimum.
3. Each school has the option of deciding the best game/level combination for the official assignment.
4. Boys and Girls programs do not necessarily need to have the same official configuration.
5. Jim Jorgensen will work with each school to iron out unexpected problems.
6. Each AD agreed to use Jorgensen Sports for officials using the agreed information.
