I Spring Sports

A. Badminton

1. The League Tournament went well.
2. Armijo was the League champion, however Vintage provided the most athletes moving onto Sections.
3. There were a few issues with Davis
  - a. Communication with the coach was difficult since she was a walk-on coach.
  - b. A couple of matches Davis did not bring the minimum number of players so matches were forfeited.
  - c. At Davis there was at least one occurrence where the heating / air conditioning unit was not working properly.
  - d. The assistant coach's behavior was a problem (argumentative) on more than one occasion.

B. Baseball

There was a tie for the League Championship. A 2<sup>nd</sup> banner has been ordered.

C. Golf – No Report

D. Girls Soccer

1. Bob handed out final standings which included win/loss and goals scored and allowed.
2. Two of the three MEL teams made it to the 2<sup>nd</sup> round of Sections.

E. Softball

1. The coaches are requesting a review of the by-laws pertaining to metal cleats and batting practice on game days.
2. Both issues, cleats and batting, will be on the September Board of Managers agenda.

F. Swimming / Diving – No Report

## G. Boys Tennis

The League tournament went fine. Having a certified tennis official on site takes care of any rule problems.

## H. Track

1. Armijo had the track facility set-up nicely for the League meet.
2. Vacaville boys and girls won the League meet.
3. Fairfield girls won the Section title outscoring Vacaville by 1 point.
4. Mike brought up two items but said he would get more specific recommendations from the coaches. The two areas he mentioned were:
  - a. Individuals participating at the League Tournament when he/she has not competed in any dual meets.
  - b. Should the League only have dual meets with no 4-ways?

## II Fall Sports

### A. Water Polo

1. Change by-law 15.1 to read: “boys varsity matches will start at 3:30 for the 1<sup>st</sup> round of competition. Girls varsity will start at 3:30 for the 2<sup>nd</sup> round of competition.”
2. Exchange October 11 and 18<sup>th</sup> on the approved schedule.

### B. Football

Remember that no helmets or equipment except footballs are allowed during “spring football”.

## III Winter Sports – No Report

## IV Ticket Prices

It is the consensus of the Athletic Directors that 0.5-4 should be two different by-law points:

0.5-4 For non-varsity a school may charge \$2.00 for adults and \$1.00 for students.

0.5-6 Individual schools will have the option of allowing students from their own school with student body cards to be admitted free of charge at their home games.

The by-law change will be on the September Board of Managers meeting.

## V Schedules 2011 – 2012

A A new girls golf schedule was handed out which reflects the home / away being rotated from the original schedule.
