### D. Girls Tennis

- 1. Vacaville High was concerned that the schedule did not reflect H/A changes for all schools in this years schedule. Cam explained that to align Volleyball & Tennis for transportation purposes and because the Volleyball schedule had to be adjusted that some of the competitions sites did not rotate.

### E. Water Polo

- 1. A new water polo schedule had to be created to address the M/W competition days instead of T/Th. The schedule stayed the same, just the day of the week and dates changed.

### F. Girls Golf

- 1. Don Trolinger will be stepping away from girls' golf this year as he recovers from health issues. Corey Roche from Armijo will take over running the league tournaments.

2. John Lammon mentioned that the coaches still want a tie breaker revision.

#### G Cross Country -- NR

#### II. Winter Sports--NR

#### III Spring Sports -- NR

#### IV MEL Directory

All schools have submitted their directory. A copy will be emailed to ADs so that any changes can be submitted before final document is distributed.

#### V Web Site

The website is currently stagnant although some of the information such as sites, bylaws, links are still useable. Andrea will check with a company she know to get a price for a drop-in site.

#### VI Other

##### A. Next Meeting

1. Board of Managers Meeting. August 30, 8:30 am. Rodriguez Conference Room. Napa will provide refreshments.
2. Athletic Council Meeting September 26, 8:30 Elm School

##### B. League Passes were distributed

##### C. Section Meetings

1. Rule books will be available at August 30<sup>th</sup> meeting.
2. Administrative Workshop is Wednesday August 28 in Lodi

##### D. Track

A discussion regarding the financial report submitted by Armijo after the league track meet was discussed. Armijo had added 2categories ( Hip Numbers and Security) to the form without prior approval. Hip Numbers was approved and will be added for future reports, however security is the responsibility of the site. Armijo will adjust the check to reflect the change.

##### E. Armijo Construction

Major construction at the Armijo site will greatly impact packing and access to field areas. Most of the parking at Armijo will take place on the surrounding surface streets. For bussing drop off the side gate by the pool will be the area used. Busses will probably have to be parked on the black top of the basketball courts. Because of the construction at Armijo, the Board of Managers will meet at Rodriguez High conference room for this school year.

Meeting adjourned 9:20 a.m.

Respectfully submitted,

Joan Mumaugh

Commisioner
