III Review of Section Material Dated July 20, 2020

A. Sports Calendar

1. Season 1 questions:

What happens if Season 1 is cancelled; will everything be pushed to Season 2.

Will the venue for Section Cross Country have a runnable course in case of rain.

2. Season 2 questions/comments

a. Putting so many teams in season 2 will create conflicts with athlete numbers as well as athletes playing more than one sport during the same season

b. Facility usage for games and practice will be a major issue

c. Transportation will require more money and/or more parent drivers to cover all the sports

d. Often the same coach coaches the same sport for boys and girls. Now that both B&G tennis and golf will be in the same season, a coaching issue has been created.

4. Moving Badminton—If we move badminton to Season 1, and all 3 leagues agree to the move, then Section playoffs would need a date change. In addition, could the SJS winners still play in the regional tournament in May?

B. Quick Topics

We discussed;

- 1) Summer rules for Fall-schools can do anything that was permissible during summer until Dec7.
- 2) Bylaw 600—can coaches coach club and school at same time?
- 3) Realignment—The Section bylaw states: Each member league will nominate one principal and one athletic director to serve on the committee. Eddie Wilson has indicated that he would like to serve on the committee. We will have a formal vote at the BOM meeting in August.

IV. Schedules

- A. Each AD in charge of a sport will adjust schedule dates to coincide with the new Season 1/Season 2 start and end dates.
- B. During upcoming AD meetings each 20-21 schedule will be discussed for any needed changes or modifications before being presented to the BOM for approval.

V. Other

A. Future Meetings

The BOM decided that until further notice, all meetings, AD and BOM, will be held virtually at 3:00pm

B. Athletic Council

The MEL ADs will develop a phase in plan for the league that moves from conditioning through competition with fans allowed.

Meeting adjournment at 2:15

Respectfully Submitted
Joan Mumaugh
MEL Commissioner
