I Spring Sports

A. Badminton –

1. The first round is almost complete and everything is going fine.
2. Each hosting school is having “masking” optional for all opponents.

B. Baseball

1. Baseball is having an issue with officials being cancelled on the day of the game with no timely notification given to the host school.
2. The officials assignor is saying they have reduced officials which is causing moving of some assigned officials.

C. Boys Golf --NR

D. Softball—

1. Officials not assigned or not showing for a scheduled game is also a problem with softball.
2. Joan will contact the assignors of both sports and have a discussion on possible remedies for this season.

F. Swimming / Diving

1. Joan reminded all the schools that the Section has a new policy for registering student-athletes for the CIF SJS Championship meet. A notice was sent to each AD and Varsity Head Swim Coach on March 4 2022 from the Section office outlining the registration procedure for swimming and diving.

G. Boys Tennis--NR

H. Track

1. At a recent league meet, the host school was unable to run the field events, and failed to notify the guest school in advance of the need for their help. If a host school is unable to run “all” the events they need to notify the guest school and discuss options for the meet, ie: guest running event or changing the site.
2. Wood is renting a timing system and operator for the end of season league meet. Each school will be responsible for 1/6th of the cost of the rental. Wood will be sending each school a bill for their share in the near future. Please remit your payment to Wood as quickly as possible.

3. The MEL will pay the starter and recall start for the MEL meet, which totals \$1100.

II Fall Sports—

A. Football-

1. Fred reminded everyone that he needed their 2022 pre-season schedule so that he can complete the composite schedule for the website.

III Winter Sports

Girls Wrestling

Joan made a correction to the minutes from the previous meeting. There were 19 girl wrestlers not 14.

2. An additional track schedule with 2 quad meets was submitted for review.
