Diving Proposal

Vacaville swim/dive coach proposed a change for diving for league dual meets. This proposal was shared with the other coaches whom seemed in agreement.

All of the divers would perform together for the same judging panel the Thursday before the next weeks dual meets. The diving results would then be added with the swim score for a composite dual meet score.

The benefits are:

- 1) Everyone would have a chance for competition experience every week regardless of whether their dual meet school has divers
- 2) The events are consistently judged by a 3 or 5 person judging panel.
- 3) Coaches who coach 2 schools will not have to be in 2 places at once.
- 4) Kids who wish to swim and dive will be able to do both. (In the past this has caused some trouble up the swimming events indefinitely sometimes.)
- 5) The swim meets can start on time with out waiting for the diving to be done.
- 6) The kids from the MEL can get to know one another a little better and learn from each other.

The Athletic Council was in consensus that the proposal should be brought to the Board of Managers March 30<sup>th</sup>.
