IV Schedules 2018-19

A. Winter Schedules

1. Basketball—Eddie distributed both T/F (both genders) and the T/Th and W/F (splitting genders) schedules. The AD's reviewed both schedules. Whichever format is selected at the BOM meeting April 11th the appropriate schedule is approved by the ADs.

2. Soccer—Eddie distributed the boys and girls soccer schedules that are paired with the above basketball schedules. Again which ever basketball format is approved the corresponding soccer was approved by the ADs.

3. Fred presented a new schedule for wrestling that is a combination of double duals and individual matches. This new format allows the league competition to start after the winter break. The ADs approved of the schedule.

B. Spring Sports

1. Kevin presented 4 baseball schedules with various formats and dates. The schedule that the ADs decided upon uses a new format (play same school 3 days in a week) and has a week break after the second week of league competition. The week off early in the season will allow for makeups.
